

ASTI

Asti was born in March 2004 when Tennysee (Lorinford Kay Sera -Sera del Avrain) was mated to Siagar Spencer. She was the prettiest of the 8 puppies so she just had to stay! She did particularly well as a minor puppy qualifying for Crufts at her first championship show. She has been Bow's main companion to the shows. She loves everyone yet seems to get into lots of mischief, trying to rule the others!
