

TENNYSEE

To my surprise in May 2001, Tennysee arrived as a 50th birthday gift from my husband. Tennysee was unexpected but such a delight. She soon settled into the Avrain household. She has done very well in showing and qualified for Crufts in 2003. Her main placings were Third at Gundog Breed of Scotland under

Val Foss, and Gundog Group One and also Best Puppy in Show under Peter Upton and Stuart Mallard on her birthday in March 2002. Tennysee did very well in Ireland on the Munster Circuit in the summer of 2002.

Tennysee now lives in Scotland with my cousin's family.
