

BOW

In 1999 Bow arrived to join Rye and Islay. With Bow showing took off with a vengeance and he was soon winning lots of first places at Open shows as a Puppy and Junior. The highlight of his early career was when he came first M.P.D (Minor Puppy Dog) and Best Dog Puppy at BD&C dog club in November 1999. He then went on to win Third in Special Puppy Dog at Crufts. He also qualified for Midland Pup of the Year and was the only dog puppy to make it to the final rounds! Another achievement that we are greatly proud of was his qualifying for the East Anglian Super match competition at St Ives. He again got through to the last four. Bow continued his

winning ways in the Munster circuit in Ireland in 2000 winning five firsts and one second in Junior and Graduate. Then sadly Foot and Mouth disease struck in 2001 so with that showing stopped. Then in 2002 Bow continued to do well at both Open and Championship shows. In August 2002 he won a Reserve Green Star at Killarney, again on the Munster circuit.
